Cover Letter

Subject: Application letter

Dear Hiring Manager,

I am writing to express my strong interest in joining your organization. With a unique dual-degree background combining a **Bachelor of Science in Computer Science** from **St. Mary's University** and a **Bachelor of Arts in Accounting and Finance** from **Addis Ababa University**, I offer a rare blend of technical software engineering capabilities and robust financial acumen that allows me to solve complex, cross-functional problems.

Throughout my academic journey, I have intentionally developed a specialized skillset that bridges the gap between technology and business infrastructure. My computer science background equips me with a strong foundation in **Object-Oriented Programming, Database Systems, and Software Engineering**. Complementing this, my accounting and finance degree provides me with advanced capabilities in **Financial Modeling, Portfolio Management, and Econometrics**. This interdisciplinary training allows me to build data-driven technical solutions while keeping financial health and compliance at the center of execution.

In addition to my formal education, I hold a specialized certification in **Peachtree software-based IFRS training** from Addis Ababa University. This hands-on experience demonstrates my readiness to adapt to modern computerized accounting environments and complex international reporting standards. I am eager to bring my rigorous analytical mindset, technical adaptability, and proactive problem-solving approach to your team.

Thank you for your time and consideration. I look forward to the opportunity to discuss how my technical and financial background can bring unique value to your organization.

Sincerely,

Dawit Birhanu Mulu
